Activate your full potential with hypnosis – Dolfino Method®

The Dolfino Method® is fun, simple to learn and above all very effective as attested by the thousands of professionals who use it. **It is an approach where you are always awake and in full control of your own transformations.**

Here is a training where you will learn it, practice it and experience it.

You will learn to use hypnosis and self-hypnosis techniques, for yourself and to guide clients, parents and friends.

Do I need special « talents » ?

Contrary to certain beliefs, hypnosis does not require any special talent. Using hypnosis requires learning and practice, nothing more. That is what we propose to you.

You will be able to practice self-hypnosis and hypnotize a partner by the end of the 2nd day.

Guarantee

You don't believe you have the « talent » necessary to hypnotize ? You will succeed, it's guaranteed! **We undertake to reimburse you if you are not completely satisfied.**

What will I be able to do?

Here are some of the techniques you will know how to use for yourself and with the people you love:

- ➔ **Hypnotize anyone who asks you... and yourself by self-hypnosis**
- ➔ **Reduce pain; yours and that of those who ask you**
- ➔ **Eliminate destructive « patterns »**
- ➔ **Release the emotional weight linked to painful memories**
- ➔ **Keep stress and depression away**
- ➔ **Clean up conflicting relations**
- ➔ **Mobilize inner forces towards the realization of a goal**
- ➔ **Direct waking dreams to solve sexual, money and family relationship problems**
